

Visualize your network; Secure it!

NetSkateKoban®

Nano

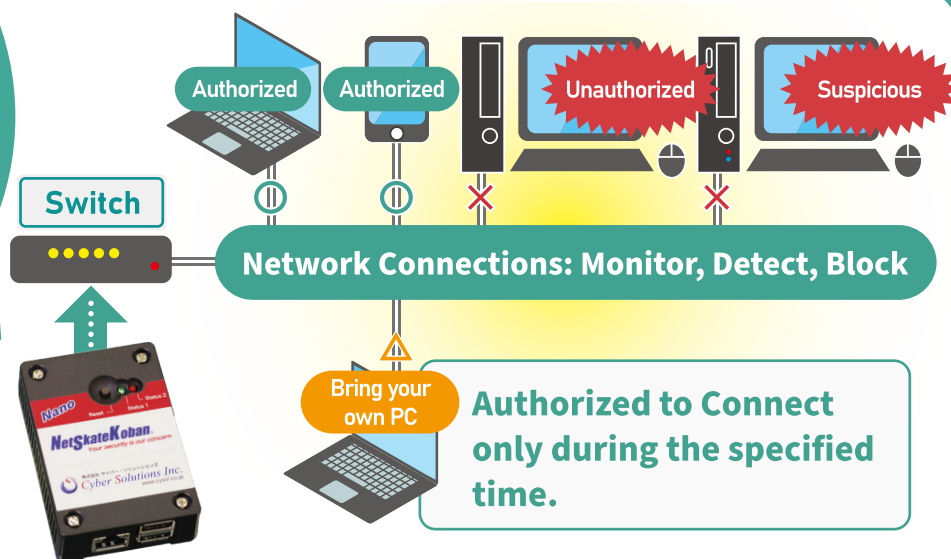

Nano(V)

Acclaimed Product of Excellence

The Simple Single Sensor Solution

Plug and Play!

Safety & Security

5

Essentials

- 1 Know Who's Online - Instantly
- 2 Block Unauthorized Devices - Fast
- 3 Access Connection History - Anytime
- 4 Visualize Every Link - Switch, Device, Port
- 5 Detect Malware via Peer Analysis

Visibility is power. Hidden change is the threat. Security starts here!

NetSkateKoban Nano will do the basic connection management and secure your intranet.
